

## PORTS - PROCESSING - LOGISTICS

The TWL group comprises of 4 divisions, including The Port of Mistley, Wrabness storage facility – Essex and TWL, Gainsborough & Scunthorpe – Lincolnshire.

The company offers clients a complete & comprehensive range of logistics services from the UK port of arrival or point of origin to delivered to end customer.

We work with an international client base, including raw material producers, global traders and agents to UK consumers and manufacturers of finished and semi-finished goods.

### Northern / Trent facilities

Gainsborough – Lincolnshire:

Specialising in toll processing, handling and logistics for dry bulk commodities particularly metals, ores, industrial minerals, refractory products and ferro-alloys.

Scunthorpe – Lincolnshire:

Vessel discharge and loading via River Trent wharves, warehousing, processing, packing, storage, logistics and onward distribution.

### Southern / Essex facilities

Mistley – Essex:

The Port of Mistley provides a complete range of port activities including stevedoring, handling, storage, and distribution for conventional coaster shipments.

Wrabness– Essex:

Close to Harwich, Wrabness Storage specialises in container devanning, storage, processing and re-distribution to UK markets.
